

## Portfolio outline

### International Executive

---

#### Position Scope:

To represent the views of International students to ensure their needs are being adequately met.

#### Key Responsibilities (in addition to the Exec code of conduct):

- Ensure the views of International students are represented at the **mawsa** Executive table
- Act as a liaison between **mawsa** and International students
- Meet regularly and where needed with International student co-ordinator to communicate the issues and views of students living in accommodation
- Build and maintain a good relationship with any international students' groups and meet regularly with them
- Support and drive initiatives that enhance the experience of International students for the duration of their study in New Zealand, which may include holding events for International students

#### Relationships:

- **mawsa** Executive and staff
- International Office staff
