As the International Executive you will also be a part of the MAWSA governance group. This group provides oversight over current and future activities within the association and sets MAWSA's future direction to ensure MAWSA is providing top quality services.

To apply for the role of the International Executive you must be enrolled as a student on the Massey Wellington campus.

You should have a keen interest in advocating on behalf of international students and be eager to help with their transition to Massey University and New Zealand. It would be a bonus if you already have ties with current Massey international support.

What a typical week might look like

A typical week for you as the International Executive will include a weekly or fortnightly Executive meeting. At the meeting each member of the Executive is expected to report in about projects they are working on or issues students they represent may be facing. The Executive will go over upcoming events, approve spending of MAWSA funds, approve new affiliations of clubs, and undertake general problem solving when any issues may arise.

As an Executive member, your week is not only filled with meetings! You will also help MAWSA run events, such as Orientation, the annual ball, barbecues and much more! You can also take up your own projects to improve the student experience on the Massey Wellington Campus.

Governing MAWSA

Together the Executive makes up MAWSA's governance group. Each Executive member brings a diverse perspective to provide oversight of MAWSA's operations and future direction. As a group, you represent students' best interests to Massey University and ensure that MAWSA is providing quality services.

Governance Responsibilities

- Contribute to a diverse representation on the MAWSA Executive
- Ensure that MAWSA's constitution and policy statements are kept up-to-date, upheld and maintained in the best interest of Massey's Wellington students
